

EMOGENÇ EVENTS

2024-2025 TOURS, MEETINGS, AND SOCIAL ACTIVITIES

October 15, 2024 Electrical and Electronics Engineering Welcome Cocktail

The Electrical and Electronics Engineering Department at Mersin University held an introductory event on Tuesday, October 15, 2024. EMOGENÇ Mersin and IEEE Mersin University Student Communities, the Head of the Electrical and Electronics Engineering Department, Prof. Dr. Hüseyin Erişti, and faculty members, along with the President of EMO MERSIN BRANCH, Prof. Dr. Alkan Alkaya, and members of the Board of Directors gathered at the introductory event held at our university.

March 19, 2025 Kıvanç Enerji Technical Tour

We visited Kıvanç Enerji, one of the leading names in the solar energy sector. During our technical tour, students gained valuable insights into the renewable energy field by examining the production processes of solar panels on-site.

May 12, 2025 - May 23, 2025 EMOSPOR Tournament

The Department of Electrical and Electronics Engineering has organized a soccer tournament to strengthen social bonds between students and faculty members and to encourage sporting activities.

May 13, 2025 Beta Trafo Technical Tour

During the technical tour we organized with our department students, they had the opportunity to examine transformer production processes on-site and reinforce their engineering knowledge in the field.
